SURVEY UNDERWAY

The Department of Sociology, under direction of Dr. John Shope, Chairman, is conducting a Survey of Student Interest on campus. Using sophisticated methodology and going beyond such national polls like Gallop, the survey will cover a five percent segment of students on open-ended questionnaires. The survey, first designed as a field experiment for research students, will provide vital information on a campus wide basis of student interest priorities.

Follow-up in-depth interviews will determine the degree of commitment to suggested programs and the Research staff will verify conclusions by a check with a different ten percent of the student body.

The entire project will be treated on an anonymous basis.

If you are not one of the students involved in the planned survey, you still will have the opportunity to express your own ideas through this NEWSLETTER. Next week we will begin publishing some of the questions asked in the survey and you are invited to answer them and send them into the committee.

More will appear next week. Watch for it !

Singers To Appear

The Gregg Smith Singers will appear in Holloway Hall Auditorium in concert on Monday, Feb. 7, at 8:30 p.m., under the sponsorship of the Committee on Arts and Lectures. This youthful mixed chorus has risen rapidly to the foremost rank of the world's great choral groups. They have been acclaimed as pioneers in the presentation of new music. Their most recent innovation being the introduction of "multi-dimensional sound" presentation into all concert performances. For this, the singers are placed, in groups of varying size or simply individually, at the sides and rear of the auditorium, as well as on the stage, producing a stereophonic effect.

Tickets for the performance may be obtained at any time, on a first-come, first-serve basis, at the switchboard in Holloway Hall.

THERE IS NO ADMISSION CHARGE.

Workers Needed

Due to time conflicts, many members of the Sophanes Players were not present at the last meeting. As a result, many jobs are still open in production for "ANTIGONE." These jobs must be filled by students if the Club is to present a good show. To afford the membership another chance to fill these jobs, a workshop will be held this Saturday, Feb. 5 from 9 a.m. to 12 noon. At this time, sign-up sheets will be made available and the various committees will be able to meet. All are invited to come and lend a hand. Members are obligated to be present.

An exhibit of woodcarvings and paintings by William Erwin, well-known Eastern Shore artist, will open at the Salisbury State College Art Gallery on February 13 with a reception honoring Mr. Erwin.

The exhibit will run through March 3. Gallery hours are Sunday through Friday from 2 to 4 p.m., and Monday through Thursday evenings from 7 to 9 p.m.

Bill Erwin is best known for his carvings and paintings of Eastern Shore life. He is above all a realist, depicting those activities and occupations typical to the Eastern Shore in a style combining great care and accuracy of detail with strong expressive power.

A self-taught artist, Mr. Erwin took up woodcarving as a hobby some thirty years ago. He eventually gave up his electrical contracting business to devote himself completely to his art and now works full time as a carver and painter. He also teaches courses in woodcarving at Salisbury State College and at Chesapeake College in Wye Mills, Maryland.

In addition to free-standing sculpture and relief carvings, Mr. Erwin also carves furniture, theatre masks, signs, and various, architectural structures, such as decorative moldings and doorways.

His work is known throughout the Eastern United States and he has won numerous awards and prizes for both carving and painting.

Who Can I Talk to If

I just don't know if I'm in the right major?
I think I'm flunking out?
I'm having trouble with drugs?
I think my instructor is unfair?
I think my girlfriend is pregnant?
I feel like quitting SSC?
My boyfriend just broke up with me?
I have a personal problem?

It is a common occurrence for people to reach a point where they need to discuss important questions or decisions in confidence with someone they can trust. We have a group of faculty and staff who have volunteered to be this kind of helping person. What is said to them is held in confidence and if discussion or their experience can't help your problem then they'll try to send you to someone who can help. The talk is free, the place is in the office of the person of your choice, at any time which is agreeable to both of you. See if we can be of some help.

Marriage for 3 years?

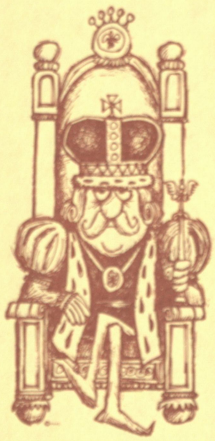
Ten Salisbury State College Sociology students attended a recent public hearing in Annapolis concerning House Bill 42, which would make three-year marriage contracts legal.

Attending were: Robert Gross, Richard Long, Wayne Price, Robin Hill, Jean Warns, Jim Torri, Connie Villani, Catherine Mead, Ken Wohmer and Debbie Bowman. Following the hearing, the students had dinner at Port Annapolis.

Delegate Lee, who introduced the Bill, and other supporters argued for the legislation on "economic, psychological, ethical and social grounds."

Student Leadership

The first Salisbury State College LEADERSHIP WORKSHOP has been planned for the weekend of March 17, 18, and 19. It has been directed to meet the needs of present and potential leaders of the various student governments, campus organizations, and residence halls by centering its attention on interpersonal and group communication skills as well as the analysis of decision-making within a group or organization.



The staff of the workshop is comprised of Dr. Robert Wesley, Dr. Robert McBrien, and Mr. Robert Hassmiller. Any student who is interested in spending this intensive weekend developing his personal effectiveness as a leader working with others, is urged to contact one of these three as soon as possible for more information.

Great Show Plays!

Salisbury State College Players continue to present Jean Anouilh's modern version of Sophocles' ancient Greek classic Antigone tonight, tomorrow and Saturday nights.

The production is in Holloway Hall Auditorium at 8:15 p.m. each evening. Tickets are available at the door or in advance at the Student Center. Prices: Adults, $1.50; Students, $1.00.

The play concerns conflict between moral and civil law. Anouilh wrote Antigone in 1944 during the Nazi occupation of France. Because he made the leading character so intellectually convincing, the Germans failed to recognize the play's theme of resistance to military dictatorship. Frenchmen, however, were encouraged by Antigone's heroic refusal to compromise her ideals in the face of death.

Sophanes Note

All members of Sophanes Players are reminded that the scenery for "Antigone" must be gone from Holloway Hall after the last show on Saturday night. Much help is needed in "striking the set."

"Camelot" at Seaford

On March 3 and 4 at 8 p.m. Seaford High School has scheduled "Camelot." Tickets are on sale and can be purchased from the school at $2 per ticket.

GIRL SCOUTS

The Campus Girl Scouts will meet February 27 at 7:00 in Manokin Basement. All members are requested to be present. Any other girls interested in scouting are invited too.

TONIGHT

Play Tryouts

Tonight is the last chance for all students who want to act this year. Tryouts for Charley's Aunt, a comedy, a farce, will be held at 7 p.m. in Holloway Hall Auditorium. Sign-up sheets for stage and other crews and committees will also be available for those students who want to be a part of Sophanes' playbill for this show.

Membership Drive

The President of Sophanes Players, Dennis M. Dolan, says that a membership drive for the club is in progress. The Club needs new people for help on the last show and to assume a membership for next year's theatre season. Since many members are seniors and will be leaving Sophanes this Spring, their loss can be offset by new members. The Sophanes Players is not just a social club on campus. Its members are workers by necessity since putting on shows is work. All shows must be put together from our own resources.

The call is out for your support. Join by attending the next Sophanes Meeting, Wednesday, March 8, at the Little Theatre, Holloway Hall, north wing at 6:00 p.m. A special thank you from the Executive Committee of the Sophanes Players goes out to the cast and crews for "Antigone." A thank you is also given to the Stagecraft class of Dr. Andrew for its technical help. It was a great show!

The Biology Department is pleased to announce that it has been informed by Sister Juliana Kowal, Northeastern District Director of Beta Beta Beta Biological Society, that the Biology Department has been admitted into the Society.

The Beta Beta Beta Biological Society, founded in 1922, is a national undergraduate biological honorary society which emphasizes a three-fold program: (1) stimulation of scholarship; (2) dissemination of scientific knowledge; and (3) promotion of biological research.

Later this semester a local chapter of Beta Beta Beta will be formally installed at SSC, and at the same time, charter members will be initiated into membership into the Society.

SOS: Film Planners

The Film Committee of the S.A.B. sends out an SOS for students who are willing to spend time and effort in helping to provide a good film program on the campus. The organization says that they have plenty of good ideas, but need manpower.

If you are interested in film planning, come to a meeting on Tuesday, March 7, at 6:30 p.m. in Holloway East Lounge. Should you not be able to attend, submit your name and box number to Tom Taylor, Box 94, Wicomico Hall.

ED Students NOTE:

All elementary and secondary education students are advised to complete and return to the Department Office, the 5 x 8 information cards sent to them sometime ago. If you have not returned these forms you may be overlooked in scheduling for methods or student teaching.

Students who wish to be admitted to the Professional Program at the end of this semester or summer school should be reminded to get their Professional Program Application to the Department of Education Office immediately.

Cissel Paintings Coming

"The Cissel Collection," drawings and paintings by the late William Howard Cissel, will be on view at the SSC Art Gallery during the period March 20—March 29.

Gallery hours are 2 to 4 p.m. Sunday through Friday and 7 to 9 p.m. Monday through Thursday evenings.

The collection, which belongs to the College, was last exhibited in 1970. It was given to the college by the Wicomico Council on the Arts, acting on behalf of anonymous donors. Most of the works on display date from 1959 and were done in Mexico and the Virgin Islands. Mr. Cissel was very interested in the life and people of these two countries and his works convey admirably all the color and vitality of the native scene.

Mr. Cissel, born and reared in Hebron, Maryland, was active in a number of fields. For a time he worked for the Columbia Broadcasting System as Design and Art Director for television, designing such shows as **Fred Waring, Studio One, The Frank Sinatra Show, Ed Sullivan, The Faye Emerson Show, Red Skelton,** and others. He also worked with a musical series and a children's feature, each of which received a gold medal award for production.

During this time he also worked as an interior decorator and as a costume designer for the stage. One of his most significant contributions to contemporary advertising was his design for the "Clairol Color Carousel" pavilion for the 1963-64 New York World's Fair.

Mr. Cissel died in an automobile accident near Hebron in 1968.

Scholarship

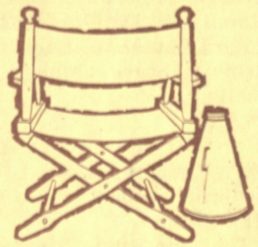
SSC Students who are Juniors or Seniors, whose home is in Baltimore City, Baltimore County, Anne Arundel County, Carroll County, Harford County or Howard County, Maryland, and who can furnish evidence of financial need, are eligible to apply for a scholarship grant awarded annually by The Advertising Club of Baltimore. The scholarship grant is given up to the amount of $500.00 and is an outright grant, not a loan.

Interested and qualified students may get further information from Dean Stewart, Room 106, Holloway Hall.

Vital for EDS

All Elementary Education majors who are planning to do their student teaching during the FIRST semester, 1972-73, MUST COMPLETE a Student Information Form in the Education Department Office as soon as possible.

Auditions



All students interested in summer employment as actors are urged to attend auditions for **Ye Bear and Ye Cub**, on March 23, at 3:00 p.m. in Holloway Hall Auditorium.

This play is a modern version of the events surrounding the production of the original play of the same title which had the distinction of being the first English language play to be performed in what was to become the United States. **Ye Bear and Ye Cub** was first performed in Accomack County, Virginia on August 27, 1665, and led to the arrest, for treason, of the three men who produced it.

The modern version, which will be performed from June 15 through Labor Day at Wallops Island, is written and directed by Mr. Preston Ransone, and, hopefully, will lead to no one's arrest. For further information, see Richard Andrew, 269-B Holloway Hall.

Are You a Recycler?

You are invited to join SSC's student and faculty coordinated effort with Wicomico Senior High and Bennett High, establishing Project Recycle, co-sponsored by the Wicomico Chapter of the Maryland Environmental Trust.

The goal of the project is the establishment of a permanent glass and can recycling depot in Salisbury.

Two groups on campus are aiding with the project — the Chemistry 207 Class (Chemistry and the Environment) and the Biology Club.

Any interested groups or individuals are invited to attend an Open Meeting, Wednesday, March 23rd in Room DH 149 at 3 p.m. To take part in Project Recycle, either attend this meeting or contact Dr. Fred Kundell.

REMINDER!

Program-Planning for the Fall Semester, 1972, will take place during the week of March 20. Be sure to see your faculty advisor that week in order to plan your schedule for next year.

FOOD CYCLING UNDERWAY

We hope that you are enjoying the new cycle system in our food service. It is being initiated to modernize our entire food service program.

Last week we completed the first cycle of a six-cycle menu and until the completion of the full cycles, there will be no evaluation of the program.

We are open for suggestions as we go along, but will refrain from making changes until the evaluation is completed. Should you make a suggestion, we shall respond immediately to let you know that your suggestion is being considered.

On your suggestion slip, which should be placed in the Suggestion Box, list your name and room number. We shall contact you personally or by letter to advise you that your suggestion is being considered. Feel free to stop in at the office of J. W. Beck, Food Manager, to talk about any food subject.

Stat Expert Here on 23rd

Dr. Joseph Gastwirth of the Office of Management and Budget, the Executive Office of the President, Washington, D.C. will be on campus March 23-24, sponsored in part by the American Statistical Association. He will deliver a general talk for students and faculty on Thursday evening (March 23) at 8:00 p.m. in Caruthers Hall Auditorium.

The subject of this talk will be **Counting the Unemployed**, which will describe some of the concepts and sampling problems underlying the monthly data issued by the Bureau of Labor Statistics.

Faculty involved in any way with the teaching and/or applications of statistics are invited to meet with Dr. Gastwirth in the Gold Room at 4 p.m. Thursday for an informal question/answer session.

On Friday at 2 p.m. Dr. Gastwirth will speak to the mathematics majors in Room 223 DSH.

Who can I talk to if...

I just don't know if I'm in the right major?
I think I'm flunking out?
I'm having trouble with drugs?
I think my instructor is unfair?
I think my girl is pregnant?
I feel like quitting SSC?
My boyfriend just broke up with me?
I have a personal problem?

It is a common occurrence for people to reach a point where they need to discuss important questions or decisions in confidence with someone they can trust. We have a group of faculty and staff who have volunteered to be this kind of helping person. What is said to them is held in confidence and if discussion or their experience can't help your problem, then they'll try to send you to someone who can help. The talk is free, the place is in the office of the person of your choice, at any time which is agreeable to both of you. See if we can be of some help.

International Star Coming

Internationally known Israeli mime Zwi Kanar will perform at SSC's Holloway Hall Auditorium, Tuesday, March 28, at 8:30 p.m. Tickets for the performance can be picked up at the Switchboard entrance at Holloway Hall prior to the show.

Zwi Kanar, currently on his fourth North American tour, is a former student of Marcel Marceau. He has entertained recently at the University of California-Berkeley, Simon Fraser University, Carnegie Hall, Theater Company of Boston, Lincoln Center, University of Rhode Island and innumerable small colleges and universities from coast to coast.

In many instances, Kanar was the first to introduce the exciting world of silent theater to audiences. Kanar's stay in the infamous Buchenwald concentration camp, his journey to a displaced persons' camp in Cyprus, his service in the armed forces in the Israelian Independence War, and many other trials and tribulations have given the performer a rare insight into the human character, and all of this seeps through into his sketches. Comedy also runs rampant through such numbers as "Memories of Charlie Chaplin"; "Aquarium" in which his facile hands become the many fish in tanks; "Symphony Orchestra", in which he portrays the many members of an orchestra, each passionately in love with his own instrument.

Unlike Marceau, whose performances are pure technique, Kanar adds a fluid dimension that borders on realism, still allowing technique and control, the basis of pantomime, to show through.

His one-man concept flows from comic to nostalgic, romantic to sad and hope to despair. We see him as a hen, a cock, an old woman, a young woman, Charlie Chaplin, a symphony orchestra, a seductive stripper, etc. But his true genius is exemplified in his satirically biting vignettes of human oppression.

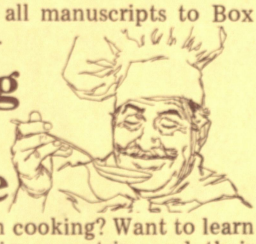
Cooking & Culture



Tired of your own cooking? Want to learn more about foreign countries and their cooking customs?

Continuing its recently-initiated policy of originating new courses of interest to all members of the community, SSC announced recently sponsorship of a special, non-credit Cooking and Culture course. Lecturers will be Paul Moreau, Dr. Nayland Page, Mrs. Richard Green, Mrs. William Palmer, Mrs. John Knowles and Mrs. Willy Vandenbeele. All lecturers are either natives of the countries, France, Turkey, Spain, Mexico, Russia and Chile, or have lived in those locations.

The course is designed to relate food of the various countries to cultures of the same countries.

Members of the Salisbury community may register for this informal, interesting course, by contacting Joseph Bachman, director of the evening program, at the College or signing up on the first night of the course at the church.

LAST CHANCE

Who says that Americans aren't competitive?

Our Ecology Bottle and Can Collection project shot off the ground like a skyrocket last week when competitive charts were posted in the Student Union. Many students who hadn't been interested before now are rummaging through trash cans for collectors' items as a result of the competition between students and faculty and administration.

This Monday, April 24, is the last day for the contest collection and the result is in doubt. Neither the students on one side, nor faculty-administration on the other, want to give in. The issue is in doubt.

One side will win. And, oh yes, there will be another winner — Project Recycle.

PAT PAULSEN COMING

In case you missed our announcement last week about Pat Paulsen, here it is again:

The Student Activities Board is presenting Pat Paulsen in Concert on Friday, May 5 at 8:30 p.m. in Tawes Gymnasium. Mr. Paulsen presents superb super satire of the issues of the 70's.

Tickets will be available to SSC students with validated ID's in front of the College Bookstore in the Memorial Student Union from 11 a.m. to 1 p.m. beginning Tuesday, April 25 at $1.50 per student.

Tickets will be available to the public beginning Monday, May 1 at the same place from 11 a.m. to 1 p.m. and from 5-7 p.m. at $3.00 per person.

Tickets at the door will be $2.00 for SSC students and $4.00 for the public.

Carnival-Dance

Don't forget the second annual Carnival-Dance this weekend, Saturday, April 22. The carnival will be held in the Student Union Snack Bar from 8:00 until 11:30.

There'll be many events going on such as pool tournaments with John Sherman; ping pong with M. P. Minton and Richard Schaffer; sponge throw with Richard Yobst, Naylan Page, Bob Hassmiller, Kent Kimmel, Alan Chambers, Christy Pilsch, Nancy McCulley and others; black jack with Paul Dowell and Bob Von der Ohe; the ping pong ball in the goldfish bowl game; a rat maze to bet on your lucky rat; a dart board game; a roulette wheel; grab bags with great prizes; and we'll also be selling pizza.

An hour after the carnival starts, there'll be a dance in the cafeteria featuring The Ellicott Brothers. This will be held from 9 until 12.

Admission into the Student Union will be 25¢ and an ID card. This night promises to be terrific so plan to be around Saturday night to be a part of SSC's Carnival-Dance!

POETRY READING

SSC's English Department and the Committee on Arts and Lectures are sponsoring a poetry reading by Gibbons Ruark, April 20 at 7:30 p.m in Caruthers Auditorium. The general public is invited free of charge.

Mr. Ruark, an Assistant Professor of English at the University of Delaware, is the co-editor of The Greensboro Reader and the author of A Program for Survival (University of Virginia Press), which won the 1970 poetry award from the National Council on the Arts Selection Program. He has published his poems in Poetry, the Midwest Quarterly, and Southern Poetry Review, and two of his poems have won national awards. "The Muse's Answer" won an award from the National Arts Council, and "Night Fishing" was reprinted in Best Poems of 1968.

A Program for Survival was favorably reviewed in the New York Times Book Review and in Saturday Review. Of his poems Alan Dugan has said, "Observed life is here in abundance. Mr. Ruark, clearly, is a poet worth watching."

Prior to Mr. Ruark's reading, creative writing prizes will be awarded to outstanding SSC student writers.

FINAL EXAMS CONFLICTS

Individual examination conflicts will be resolved by the instructor of that course. If he cannot resolve the conflict, he will consult his department chairman, who in turn, if necessary, may consult the academic dean.

"12th Night"

Twelfth Night, considered Shakespeare's highest achievement in sheer comedy, will be presented by the National Shakespeare Company on Tuesday, April 25, in Holloway Hall Auditorium at 8:30 p.m. It is sponsored by the SSC Committee on Arts and Lectures.

Probably the most frequently performed Shakespeare comedy in America, Twelfth Night is a delightful counterpoint of farce, mistaken identity, artifice and love at first sight.

It is a comedy of merriment and joy with not a single dark shadow to spoil the fun. The comic spirit hovers so closely over the play that both actors and audience are caught up in the hilarity.

The Bard demonstrates anew at each performance the confidence and assurance of a mature writer, one who understands human nature so profoundly that he instills a sense of reality into situations that could have lead to romantic absurdity. So skillful is he that the audience forgets that the plot turns on a most improbable set of coincidences and mistaken identities.

But the absurd plot is not the important element in Twelfth Night. The important thing is what Shakespeare does with this plot — the way he brings to life a group of unforgettable characters for whom the plot is merely a convenient means to display their qualities and quirks. It is memorable for those marvelous characters we encounter rather than the romantic antics of the principals.

The National Shakespeare Company, a New York state non-profit organization, has performed for audiences of 250,000 each season in colleges, universities, and an occasional high school across the nation. The work of this company has been seen on SSC's campus in the productions of Murder in the Cathedral, Oedipus Rex and School for Wives.

Tickets are available at the Switchboard Office in Holloway Hall.

NEW POLICY

The Academic Council announces a new policy permitting an undergraduate who is within six semester hours of meeting baccalaureate degree requirements to register for up to six hours of graduate credit to be taken concurrently with the remaining baccalaureate course requirements.

This may be undertaken with the approval of the Director of Graduate Studies and with graduate credit to be awarded only upon completion of baccalaureate degree requirements by the end of the semester in which the final course requirements were begun.

STATE LEGISLATURE

The Maryland State House of Delegates at Annapolis, passed a resolution in the final hours of the current session, congratulating Salisbury State College on its planned football program.

The resolution introduced by Wicomico Delegate Joseph Long, extended congratulations to SSC and expressed hope that the team meets with frequent victories.

Your Friends on View

SSC's Third Annual Student Art Exhibit is currently on view at the College Art Gallery. The exhibit will run through May 5.

Gallery hours are Sunday through Friday afternoons from 2 to 4 p.m. and Monday through Thursday evenings from 7 to 9 p.m.

The exhibit will also be accessible to students during exam week, Monday, May 8 through Thursday, May 11, by appointment. See Ursula Ehrhardt, Gallery Director, for details.

The show comprises 93 entries, and as in past years, is unjuried. About two-thirds of the exhibit is devoted to drawings, paintings, and prints. The rest of the entries include photographs, ceramics, and woodcarvings. Both the number of entries and the greater variety of media represented reflect the growth of the Art Department, particularly its new courses in printmaking and woodcarving.

It is a show well worth seeing.

SHE GULLS

Congratulations to our Women's Volleyball team who won the U. S. Volleyball Association District 3 Collegiate tournament held last weekend at Essex Community College. The She Gulls defeated Catonsville Community College in the finals to win the title.

Mrs. Thornton was among 8 college students throughout the State who were selected for this honor.

Approximately 200 representatives from all colleges and universities in Maryland attended the conference.

A hearty thank you to faculty and administrative members, from the Office of the President and on down the line. Holloway Wins

April 24th terminated the three week long hunt for bottles and cans. Holloway came out on top with 779 lbs. Pocomoke was not far behind with 739 lbs. The remaining contestants were: Nanticoke with 434 lbs., Wicomico with 297 lbs., Faculty-Administration — 174 lbs., Commuters — 157 lbs., and Manokin — 154 lbs.

In reality we all won, for the bottles and cans collected are being recycled and not thrown away, marring our environment. Recycling also delays the exhausting of our natural resources. The effort and time will be minimal, but results quite rewarding if everyone continues to dispose of their bottles and cans in recycling containers. For the remaining part of the semester, barrels will be set up behind the MSU to dispose of bottles and cans. Please help. It is your environment also.

New Association

Congratulations to the new officers of the newly organized Residence Hall Association. They are Sylvester Burke—President; Peggy Pasbach—Vice-President; Mickey Calhoun—Secretary; Danny Towers—Treasurer. Best wishes for a successful and fulfilling coming school year.

Residents & Former Residents

Please arrange to pick up anything stored in third floor Trunk Room of Holloway Hall, before May 14. Any personal effects will be discarded if not taken by the end of this school year.

Band Versatility

The SSC Concert Band and Stage Band will present a diversified program of music in Holloway Hall Auditorium on Thursday, May 4, at 8:00 p.m.

The public is cordially invited to attend this program of instrumental music by the Music Department. There is no charge for admission.

The Stage Band, organized during the Spring Semester of 1971, will play a group of selections guaranteed to appeal to jazz enthusiasts. Utilizing jazz, swing, pop, rock, and jazz-rock, the Stage Band will perform Bill Chase's "Get It On", Bacharach's "This Guy's In Love", Glen Miller's "In the Mood", and Chicago's "Does Anybody Really Know What Time It Is?", as well as others.

The Concert Band, organized this semester under the direction of Mr. Charles F. Smith, Jr., who is substituting for Mr. Ray Ziegler while he is on sabbatical leave, will open the evening's music with an exciting selection, the Spanish-flavored composition of Frank Perkins, "Fandango". Following this is a contemporary work, "Dedicatory Overture", a transcription of Debussy's ballet, "Afternoon of a Faun," a medley of Chicago tunes, and highlights from Leonard Bernstein's "West Side Story."

Welcome Aboard

Mr. E. Jay Collins joined our Maintenance Department as a Housekeeper on April 26. Mrs. Susan L. Parks entered State service as a Typist Clerk in the Blackwell Library, May 1, 1972.

New Student Union Bldg.

The Committee for Planning a New Student Union Facility, invites suggestions and ideas about the kind of spaces and features you would like to see included in a new Student Union Building at SSC. The Committee, composed of Tom White, Pam Howard, Henry Martin, Lynn Mormann, Debbie Panicucci, Patty Redden, Pamela J. Howard, Ann Rapp, Ben Robbins, Tom Taylor and Tom McLaughlin suggests that your written suggestions and comments be given to a member of the committee or left in the Dean of Student's Office in Holloway Hall, Room 109.

As the student body grows, and the number and kinds of activities increase, the lack of appropriate union space becomes more critical. In order to assure that adequate Student Union Space will be available within the foreseeable future, it is important that the planning process proceed without delay. So . . . give the committee your ideas — NOW!

Fried Chicken
Hamburgers
Hot dogs
Sauer kraut
Deviled Eggs

It would be helpful if you would make suggestions to the following persons, serving on the committee, so that planned activities will include something for everyone.

Vince Gisriel
William Beck
Phyllis Carter
Eldon Murrell
Queenie Everett
Ed (Smiley) Lake
Richard Briddell
Shirley Freburger

Phyllis and Queenie ask your cooperation and assistance in securing performers for a talent show. A pie eating contest is planned and we are requesting each Department to submit the name of a representative who can eat through a mound of lemon meringue pies.

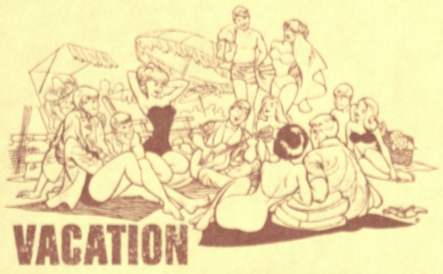
Community Service

Dr. Wesley, Chairman of the Department of Speech, met last week with the President and Director of Training from the Delmarva Power and Light Company to develop preliminary plans for a course in personnel relations to be offered for approximately one-hundred of the Company's employees. The Eastern Shore utility company hopes to make its personnel more responsive to the needs of customers, and the non-credit course will focus on ways of improving its customer relations.

This is the second community service effort by Salisbury State College in the area of Speech. In 1970 the Department designed and conducted a short course in Business and Professional Speaking for the engineering staff at Dresser Industries.



DO YOUR THING!

Happy Vacation Everyone! It has been a great year at Salisbury State. You'll be leaving the campus for a well-earned rest (Who says working on the highway department roads is rest). Have fun this summer, get plenty of sunshine (but not too much) and come back in September ready for another great year.

Be careful driving and get home safely.

Soroptimist Scholarship

The Soroptimist Club of Salisbury is again making available the Anne Matthews Scholarship Award for next year which is made to a woman student who is a resident of Wicomico County. Further information is available in the Office of the Associate Dean of Students, Room 106, Holloway Hall.

Volunteers Needed

Any men interested in being a manager or Student Trainer for the SSC Football Program, should contact Dick Yobst, Extension 273, or stop in his office in Room 107 — Holloway Hall.

Congrats!

Congratulations to the Men's Tennis team, latest Salisbury State spring sports aggregation to win a Delaware Valley Conference Championship.

The Gull netters wrapped up the coveted championship in their first official year of varsity competition by defeating Rutgers of Camden, 6-3 on Saturday. Prior to the match both teams had identical records of 4-0 and the win raised Salisbury's record to a fine 9-3 log. Team Captain Tom Horseman was selected as the Gulls' "Most Valuable for the Season" following the contest.

Named Judge

Mrs. Anita S. Moore, Instructor of English, was recently appointed by the Maryland Arts Council to serve as a regional judge in the statewide Second Literary Competition sponsored by the Maryland Arts Council.

Entries which included poetry, drama, short story, and essay were submitted by participants from the Counties of Worcester, Somerset, Wicomico, and Dorchester.

Return Equipment

All equipment signed out from the Health Center should be returned immediately.

Key Game

The stakes will be high on Saturday when Salisbury State College's Baseball Team encounters tough Eastern College in a doubleheader on the campus field, beginning at 1 p.m.

Up for grabs will be both the Delaware Valley Conference and a berth in the NAIA District 19 Tournament, scheduled in the near future.

Both teams are undefeated in conference action with Salisbury rolling up a record of 8-0, while Eastern has a log of 7-0. One Eastern contest ended in a tie and called because of darkness. If this game can be replayed and won by Eastern the two teams will have identical marks. A double-win for the Gulls will give them the conference title automatically. A split will also produce the title if Eastern cannot reschedule and win its deadlocked game in a replay. If the latter does apply, the two teams will share the championship. A double loss for Salisbury would also eliminate the loop title for the Gulls.

Coach Deane Deshon's charges will also be shooting for the NAIA Tournament. Three teams have already been selected. They are: Mansfield, Pa., State (18 wins and 9 losses); York, Pa., College (11-3) and George Mason College (18-11). The fourth berth in the tourney will be filled with either Salisbury (16-11) or Eastern College, with the selection to be made after Saturday.
